

# Instructions

Go to

[www.menti.com](https://www.menti.com)

Enter the code

3331 0218

Or use QR code

# Hackerspace Design

I want to feel like my RFID is going to get cloned

green or lightblue matrix style character curtains theme

Lots of equipment(toys)

Super Mario Figures as Design elements

Kauotic Kurtains

Clean and orderly. Anime Themed.

Board games

good start and I agree with The Emperors thoughts

# Hackerspace Design

Uniforms for the Founders!

Check in, so you can see who is currently there

Maybe some loaner laptops/etc. for people who haven't dipped their toes into Linux yet

Electrical outlets near the sofa

Wireless power strips

Binary, math, software, and computer science history theme

Coffee

Mini-fridge to cool our monster in

# Hackerspace Design

KAUotic merch

CTF tutorials/walktroughs

# Hackerspace Equipment

Dashboard that's on 24/7

O.M.G. cables to borrow  
(:D)

O.MG plugs to play with

VR goggles!

Desktop Monitors? Able to  
bring my own desktop to the  
hackerspace for lan nights 🙄

EEG headset

Electronic components,  
multimeters maybe  
oscilloscope

A terminal connected to  
DarkNet?

# Hackerspace Equipment

Hack5 gear

External monitor for  
laptop.

Meta Quest 3

hackRF

Pineapple Pi

Hackable Wi-Fi router

An issue free 3D printer

More physical locks to  
break

# Hackerspace Equipment

Beerpump

MICROWAVE

A 3d printer with issues to fix. More fun that way.

Repair station

Coffee machine PLEASE

Servers with public IP addresses for playing with

Kiosk in the form of a vending machine - use profits to buy even more gear or fund events?

RF hacking tools

# Hackerspace Equipment

Air quality monitors.  
We're a room full of nerds

Sticker shop using loyalty  
points from checking in  
with KAU card

Attacks lecture

# Hackerspace Activities

STUDY

Vintage gaming

Lan Party

moar CTF event  
participations!

Exercise in social  
interaction and how to fit  
into society

Bee movie

monthly hacker movie  
evening

hardware  
related/connected CTF  
([ctf.kauotic.se](https://ctf.kauotic.se))

# Hackerspace Activities

Weekly movie night

VR Gaming tournament,  
e.g. KAU Beat Saber  
competition

Daily movie night

CTF  
walkthroughs/tutorials

Assembly crash course

More presentations

BYOC Lan

# Presentations

Penetration testing  
lectures

Roadmap, from 0 to hired  
at Dizparc

RFID lecture

IoT-hacking

Physical security and/or  
how SOC/NOCs operate

Hacking lab setup. (VMs,  
Kali, hackboxes,  
networking, etc)

antenna

Kubernetes Introduction

# Presentations

High security/privacy OS  
like Tails/Qubes etc.

YES PLEASE, DOCKER  
INTRO

worms

How to exit VIM

:q!

Broken Random Number  
Generator Attacks

Kauotic Bong

# Workshops

How to hack networks  
SIMILAR TO eduroam

Set up our own little server  
with storage

generative AI prompt  
optimization

How to automate things in  
your daily life

How to install Arch

Teardown computers,  
laptops, phones, etc

ransomware 101

Physical hacking sessions  
of hardware in  
phones/PCs

# Workshops

How to setup and train  
your own LLM with  
something like dolly

Create onions in Tor

Command line ninja v2

# Merchandise

Lanyards are nice

Logo Hoodies

Lanyards are indeed nice

QR code stickers for  
advertising

Hackerspace themed sticker  
with the location of the room  
for free exposure

Black and/or white shirts  
with the logo would be  
sickkkk

Kaptain stickers

More anime qt3.14 stickers

# Merchandise

Logo redesign with pretty  
girly colors

Programmer socks

# Recruitment

More pictures? Actually use the Twitter with 0 posts? Twitch streamers?

advertise on social media, websites, etc

Do similar to the student clubs and go to first years on their intro (first day) Probably mostly to the compsci programs

Have a table, two representatives and big banner. Stand in the cafeteria. Like they do it for other advertisements

Invite student press

Be present in IT events in Karlstad

Dota2 Team

Have showcases of Hackerspace projects (when we have those)

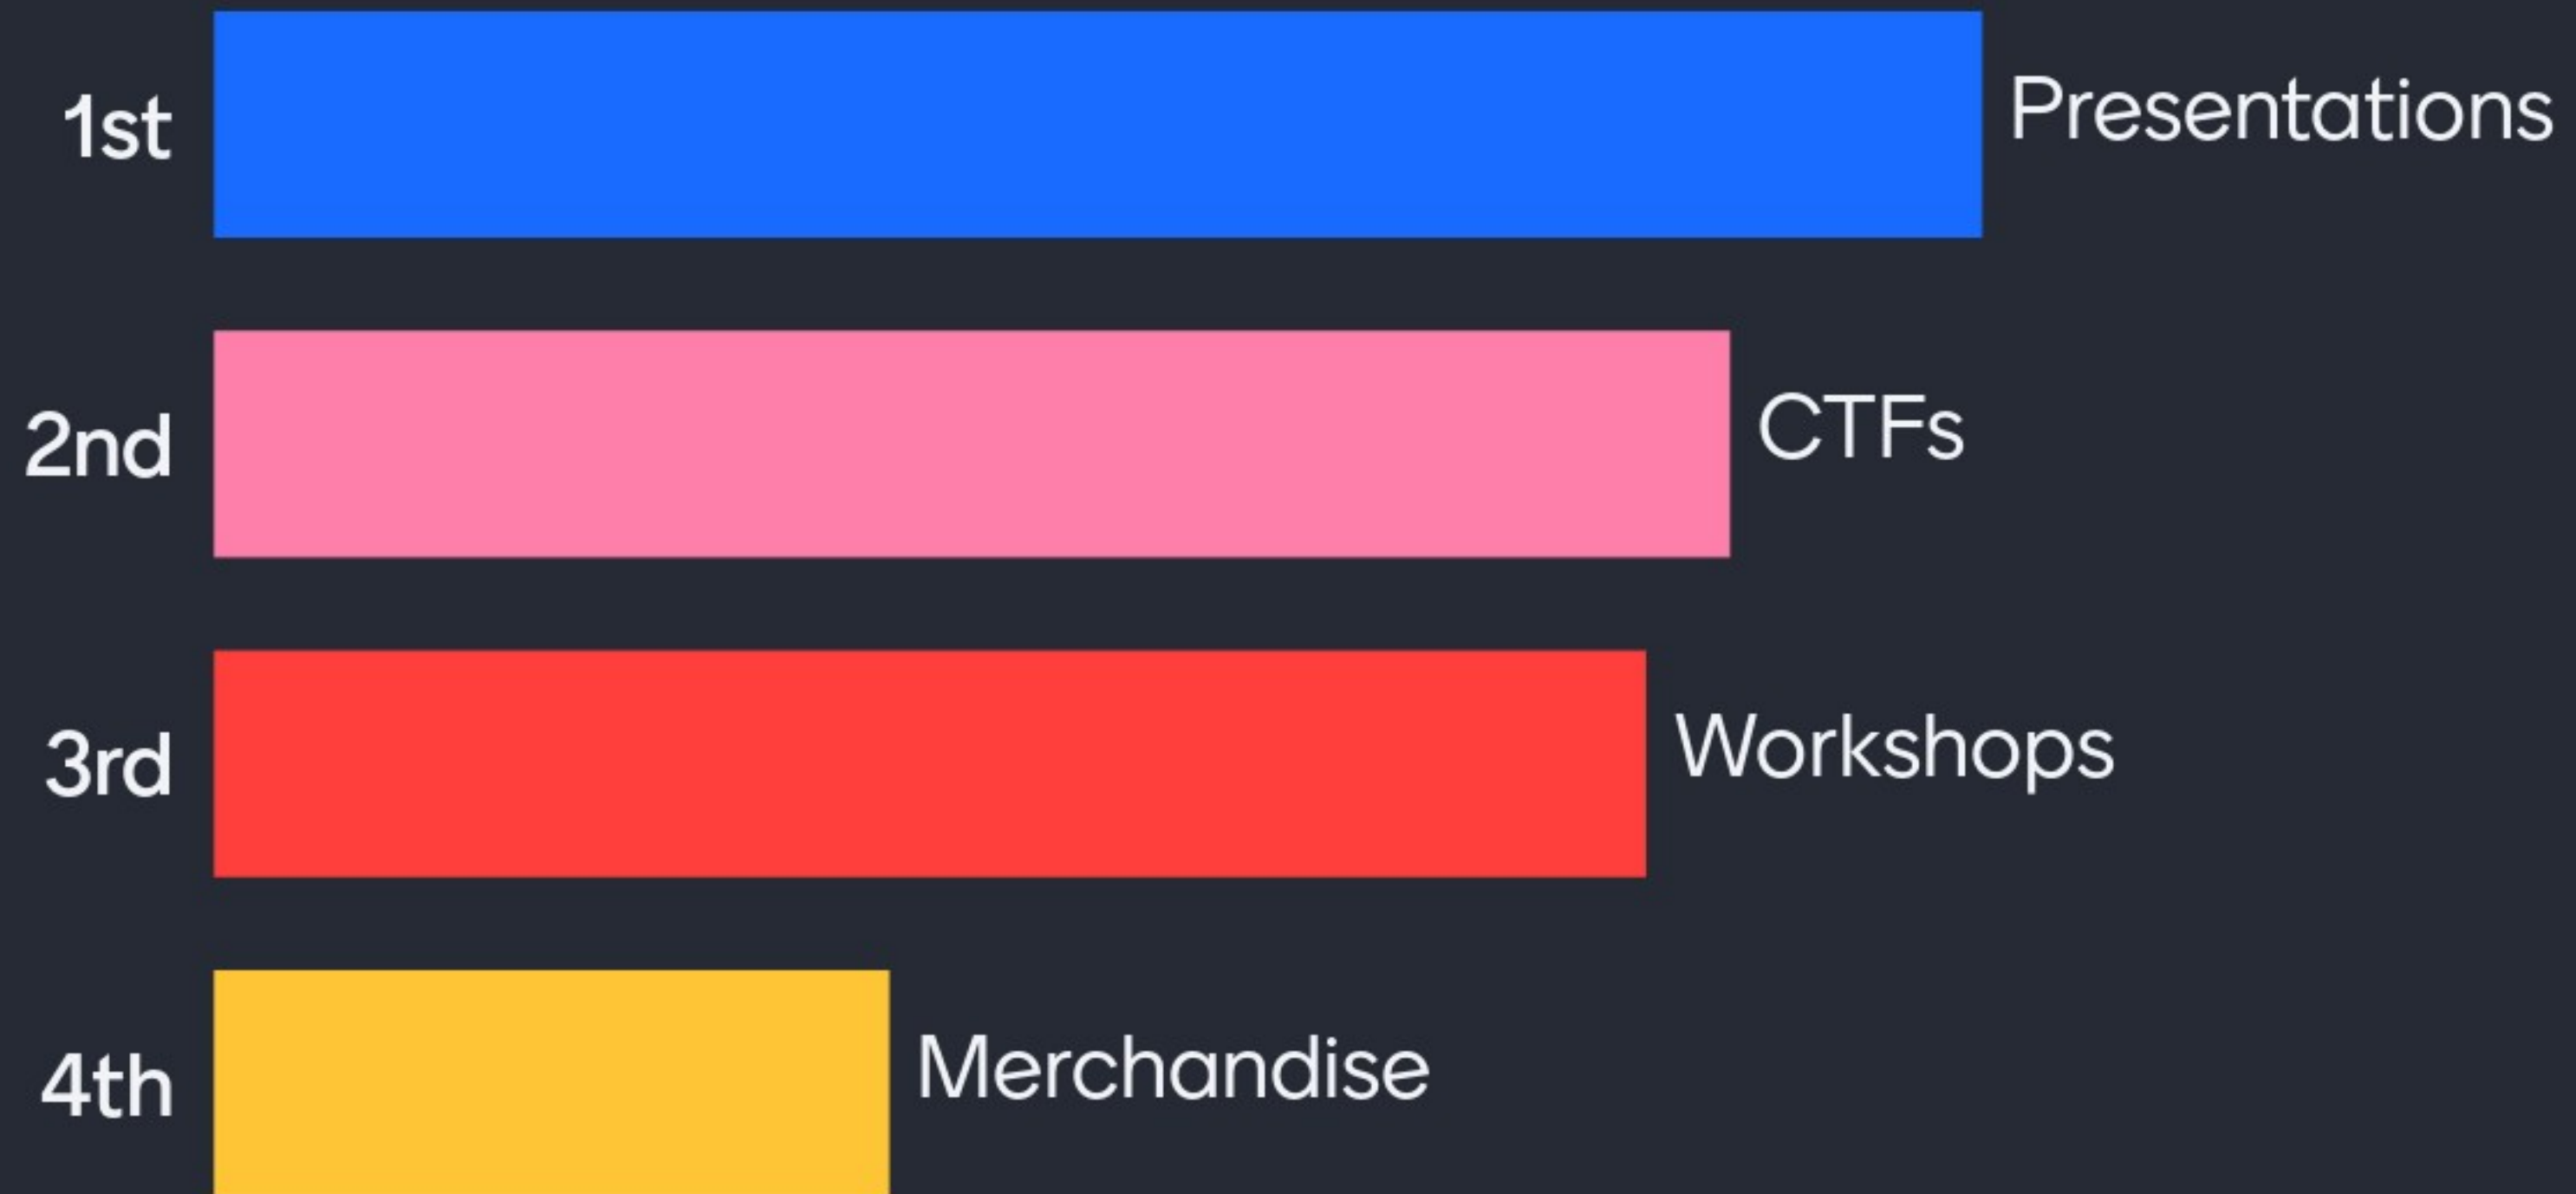

# Recruitment

advertise the free pizza

Invite people to the  
Hackerspace

Ask to be advertised on  
the official KAU social  
medias

# KAUotic Hacking Club

# KAUotic Hackerspace
